

Quick Start Total Academic Headcount (TAH) License for Students

Overview

This guide describes how to install and activate a Total Academic Headcount (TAH) license. The TAH license allows campus-wide access on university-owned computer to all students. Students are able to install MathWorks software on their personally-owned computer.

End Users: Download the Installer

1. Log in to your MathWorks Account at mathworks.com that is associated with your university email address. If you don't have an account, create one using your university email address.
2. Click on your profile name in the upper right-hand corner and select Associate License.
3. Enter the **Activation Key** for Students use only: **72320-90907-67368-54379-22001**
4. Click "**Download your products now**" or go to mathworks.com/downloads
5. Click the **download** button for the current release.
6. Choose a supported platform and download the installer.

End Users: Install and Activate

1. Run the installer
2. In the installer, select **Log in with a MathWorks Account** and follow the online instructions.
3. When prompted to do so, select the **Academic – Total Headcount** license labeled **Students / Individual**.
4. Select the products you want to download and install.
5. After downloading and installing your products, keep the **Activate MATLAB** checkbox selected and click **Next**.
6. When asked to provide a user name, verify that the displayed user name is correct. Continue with the process until activation is complete.
